[1]Plans F and G also have a high deductible option which require first paying a plan deductible of $2,370 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

[2]Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

[3]Plan N pays 100% of the Part B coinsurance, except for co-payment of up to $20 for some office visits and up to a $50 co-payment for emergency room visits that do not result in an inpatient admission.

PREMIUM AND RENEWABILITY INFORMATION

Your policy will stay in effect as long as you pay your premiums on time. You can choose to pay premiums monthly or every three months. Premium payments are due at the beginning of the period of time for which you are paying. You can always renew your policy at the premium rate in effect at the time of renewal. Your insurance will not lapse as long as you pay your premiums on time.

Blue Cross and Blue Shield of South Carolina can only raise your premium if we raise the premium for all policies like yours in this state. If premiums change, you will be notified at least 31 days before the change, but you will not have to pay more on a premium you have paid in advance. Note that your premium increases as you enter an older attained age group.

Rates may be reduced based on many factors that include, but are not limited to, Medigap Open Enrollment Period eligibility or guaranteed issue rights eligibility and underwriting considerations. Your rate may be higher or lower depending on these relevant factors. Until a policy is approved and issued your actual rates may be subject to change.

An additional 5% discount may apply when at least two or more members reside at the same physical address and enrolled in a BlueCross BlueShield of SC plan purchased after June 2010 or Blue Choice plan.

Use this outline to compare benefits and premiums among policies.

Read Your Policy Very Carefully

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all the rights and duties of both you and your insurance company.

Right To Return Policy

If you find that you are not satisfied with your policy, you may return it to Blue Cross and Blue Shield of South Carolina, Individual Products, Post Office Box 61153, Columbia, SC 29260-1153. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all your payments, provided you have not filed any claims.

Policy Replacement

If you are replacing another health insurance policy, DO NOT cancel it until you have actually received your new policy and are sure you want to keep it.

Notice

- This policy may not fully cover all of your medical costs.
- Neither Blue Cross and Blue Shield of South Carolina nor its agents are connected with Medicare.
- This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult the *Medicare and You* Guide for more details.

Complete Answers Are Very Important

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history (if applicable). The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information.

Review the application carefully before you sign it. Be certain that all information has been properly recorded.

Only applicants first eligible for Medicare before 2020 may purchase Plans C, F, and high deductible plan F.

HOSPITALS WHICH ARE NOT CERTIFIED BY THE MEDICARE PROGRAM

Some hospitals are not certified by the Medicare program. The Blue Select – Plan N will pay the Medicare Part A deductible for a noncertified Medicare hospital when services are recognized by the Medicare program as an emergency. The Blue Select – Plan G with High Deductible will pay the Medicare Part A deductible for a noncertified Medicare hospital when services are recognized by the Medicare program as an emergency, once the calendar year deductible has been met. The Blue Select – Plan L will pay 75% of the Medicare Part A deductible for a noncertified Medicare hospital when services are recognized by the Medicare program as an emergency.

Emergency treatment or care means treatment or care for patients with unforeseen severe or life-threatening illness, injury or conditions that require immediate intervention to prevent death or serious impairment of your health or bodily function.

CONTINUATION OF COVERAGE

Blue Select policies provide for continuation of coverage. If a Blue Select policy is discontinued, you can purchase, without evidence of insurability, any Medicare supplement contract offered by Blue Cross and Blue Shield of South Carolina which has comparable or lesser benefits and which does not contain a restricted network provision. A Medicare supplement contract is considered to have comparable or lesser benefits unless it has one or more significant benefits not included in the contract being offered.

GRIEVANCE PROCEDURES

To file a formal grievance concerning denied benefits or any aspect of Blue Cross and Blue Shield of South Carolina's administration of a Blue Select Plan or the provision of services by a network hospital, you must write to the Director of Individual Products, Blue Cross and Blue Shield of South Carolina, Post Office Box 61153, Columbia, South Carolina 29260-1153. You should complete the "Request for Review," and attach pertinent medical records or other information that you have to support your grievance.

You can also request a description of any pertinent records that Blue Cross and Blue Shield of South Carolina used to make its original decision to deny the claim in whole or in part. The Director of Individual Products will have the grievance researched and prepare a comprehensive problem statement. This statement will be presented to the Appeals Review Committee (or its designee) that will conduct a thorough investigation. The Appeals Review Committee is composed of the Medical Director of Blue Cross and Blue Shield of South Carolina, the Vice President of Group and Individual Operations and the Claims Supervisor for Individual Products. Formal notification of the findings of the investigation will be made in writing to all parties involved. You will receive a response within 30 days of the filing.

For grievances relating to quality of care or service concerns, you will be notified that action is being taken. You can contact the Director of Individual Products for information regarding disposition.

If medical records or other essential information is not received by Blue Cross and Blue Shield of South Carolina within 30 days, the grievance will be considered closed until the requested information is received. You will be notified that the grievance has been closed.

If there are special circumstances that require an extensive review, the final response will be made within 60 days of receipt of the grievance. You will be notified if additional time is needed to complete the response.
